**What can you do now to help Glenn and Shirley with their planning efforts?** First, plan on attending. Secondly, provide **home** and or **email addresses** for family members that **may not** be on our mailing list. **Urgent Notification System:** We have started a family urgent notification email system. Contact Butch by email or phone when you have urgent family news such as a death that demands instant notification. Butch will then send out the information via email to those family members for whom he has email addresses. Those who receive the information by email should then pass it on to other family members by phone and word of mouth. **This system does not substitute for how you currently pass on such urgent information but instead it adds to it.**

To add your **home** and or **email address** to the family address and email list, send Butch ([nejames@verizon.net](mailto:nejames@verizon.net)) an email from your account. Note that persons for whom Butch has email addresses receive prior notice of upcoming newsletters and are invited to submit information for the **Family Milestones and Notices** section.

**Family Web page:** If you have access to a computer and the internet, visit the family webpage at: [www.noreaj.com/petersonfamilies](http://www.noreaj.com/petersonfamilies). The webpage contains photos and videos from the 2007 and other past family reunions. There are obituaries, family genealogy charts, US Census records, and some family history. If you have information that you would like presented on the webpage then contact Noriega ("Butch"). It is **you** who must provide the information that is necessary to document and preserve our family history.

Send Butch copies of family obituaries (recent or past), graduations, marriages, births and other

announcements that may be posted on the webpage for all the family to share.

Recently, Rosa Mae James provided obituaries for Allison "Adicus" Peterson, Azzie Lee Blackshear, Brandon Alexander James, Deacon George Peterson, and Luke Givins. These materials are posted on the family webpage under *Notices*.

**Photo Scanning Service:** If you have old photographs of your parents, grandparents, sisters and brothers, yourself, or other relatives, I will scan and copy them to DVD for you for free. Scanning old photos and documents and placing them on DVD or CD is currently the best way to preserve them from the deterioration that occurs over time. And, it is a great way to share these precious family treasures with the rest of us. If you mail me your old photos and or documents I will scan and copy them to DVD and return them to you within two weeks.

**Recent Ancestry find:** An entry in the 1971 Memorial funeral book for Allison (Adicus) Peterson suggests that Mollie Peterson's maiden name is probably Jordan and not Ingram as most of us believed. Thanks to Rosa Mae James for submitting the materials that made this discovery possible. My analysis of the information regarding this find will be posted under *Research* on the family webpage.

**Family cookbook:** Let's start an online family cookbook. Mail or email me your favorite family recipes and I will post them on our family webpage. I personally will try to prepare all of the recipes sent to me. I know there are good cooks in the family. C'mon share your recipes!

For the past 8 years I celebrate Black History Month and Mardi Gras by inviting friends over for a gumbo dinner. I've posted my gumbo and bread pudding recipes on our webpage. Thanks to Cassandra Richardson for her quick and easy *Spanish rice* recipe.

**Happy and Healthy 2009 to All !**
