Gone Home

I'm going home, no more pain, no more sorrows.

My soul's in a much better place.

It's a time to cry and a time to laugh,

and at this time I want happy tears and sounds of laughter.

I am not really gone; I'll always be in your hearts.

I may not be around no more, but please do know that
the Sweet Lord above has healed all my pain and heartaches,

And when I get home, I'll always remember you.

I'll look over you until you join me

In the house of the Lord.
