### "The Day God Called You Home"

*God looked around His garden, and found an empty space, then He looked down upon this earth and saw your tired face. He put His arms around you and lifted you to rest. God's garden must be beautiful for He only takes the best. He knew that you were suffering, He knew you were in pain, He knew you never would get well upon this earth again. He saw the roads were getting rough, and the hills were hard to climb, so He closed your weary eyes and whispered, "Peace Be Thine." It broke our hearts to lose you, but you don't go alone, for part of us went with you the day God called you home.*
